

IRYNA HRECHYN

JUNIOR FRONTEND DEVELOPER

Contacts

- ☎ +38 098 7209 486
- ✉ hrechyniryna@gmail.com
- 📍 St. Sukhomlynskyi, Ivano-Frankivsk

Skills

I like reading books and just walking. I really like the field of programming. Especially when you work on something for a long time and yet the result turned out exactly as you expected. It motivates to learn and create something new. Overall, I'm a responsible person who knows how to set goals and achieve them. I firmly believe that an employee with my qualities would be a valuable addition to your team.

Skills

- JavaScript
- TypeScript
- Angular
